Mickelson National Invitational is proud to support First Tee Alberta and their initiatives, providing local children the opportunity to develop golf skills while continuing to build life skills.

Trained coaches help participants develop their golf swing, as well as their inner strength and values. First Tee uses sport as a vehicle to help children navigate the successes and challenges of the golf course, school, and life.

To learn how to donate, register a participant or become a coach, visit [firstteealberta.ca](https://www.firstteealberta.ca)

INVITATIONAL

Thank you for your interest in the second annual, Mickelson National Invitational. We hope you'll join us in making this incredible event an experience to remember.
