Registration using "banked" classes can be used by the regular booking procedure but please add "banked lesson" in the special request column during booking.

Cancellation:

We understand that life & weather changes day to day & that is why we have a "user friendly" Cancellation policy.

Life

- No penalty when you can cancel prior to the registration deadline each week (Thursdays at 5pm). Your payment will be banked for a future session.
- Payment is forfeited for no shows &/or late cancellations (after Thursday at 5pm)

Weather

Your payment will be banked if a session is cancelled due to inclement weather. Please self-monitor the weather using

https://weather.gc.ca/past_conditions/index_e.html?station=ybw

Sessions will be cancelled by the professional staff when:

- Temperatures colder than -15°
- Large snowfall/blizzard conditions
- East Winds: Regardless of the temperature, an east wind makes it too cold to be comfortable in Launchpad stalls

Your payment for a session cancelled by the Professional staff for the above reasons will be "banked" for use at a later date. Any remaining unused credits will be refunded by etransfer.
